

FINANCE MANAGER  
KING'S LYNN

# FINANCE MANAGER

## WHY ARE WE RECRUITING?

A career change decision means we are recruiting a financial accountant to play an integral part in the production of our monthly management accounts, national and international group reporting requirements.

## THE ROLE

- Must work to stringent group reporting deadlines. This is a crucial role and you will have full visibility across all our operations.
- You will report directly to our Group Financial Controller, ensuring the timely and accurate period end reporting of our UK manufacturing facilities and regional business units.
- Must be able to build trust and confidence in managing and supporting our King's Lynn finance team as well as build strong relations working directly with our on-site and group management teams, international group finance colleagues and external auditors.
- This position involves overseeing the integrity of our UK balance sheet, and profit and loss statement as well as our King's Lynn sales and purchase ledgers and credit control functions.
- You will play an integral role in the ongoing review of financial processes and controls as well as interrogating variances across our revenue, stock and overhead base.
- You will be heavily involved in rolling out process change and business control initiatives as essential elements of our forthcoming introduction of a new ERP business system.
