WHY WORK FOR WILLIAMS?

For over 40 years Williams Refrigeration has built a worldwide reputation for product quality, performance, innovation and reliability.

Headquartered in King's Lynn, Norfolk, our factory manufactures a comprehensive range of commercial refrigerators that includes high performance cabinets, counters, blast chillers and freezers, walk-in coldrooms, back bar and front of house display, medical and specialist bakery equipment.

Williams is committed to delivering continuous growth and takes pride in holding the internationally recognised **ISO 9001** certification for over 30 years, reflecting our commitment to the best possible customer support and quality standards.

Williams also holds the international certification **ISO 45001** occupational health and safety standard which includes the promotion and protection of both the physical and mental health of staff.

The company continues to make great strides in becoming a 'greener business' through our Greenlogic initiative, which outlines our key environmental practices, including manufacture, plant and processes. We hold the environmental accreditation **ISO 14001** for the design, manufacture, installation and servicing of refrigeration products.

Williams is committed to developing our employees through ongoing training and support to help all staff excel and progress, thereby further enhancing the overall business.

“IF YOU LIKE A FAST PACED ENVIRONMENT WITH PLENTY OF CHALLENGES AND OPPORTUNITIES, THIS IS THE PLACE FOR YOU.”
